Annual School Cookouts

We had a great time serving up some gourmet burgers for a few of our local schools this year! We were able to visit the WFISD New Teacher Orientation at Rider High School, Hirschi High School, Ben Franklin Elementary (pictured), and Seymour ISD to give them a tasty lunch and fill them in on our values & services!

Project Back to School

Our staff had the privilege of volunteering for the annual Project Back to School on Saturday, August 4th. The program saw record-breaking numbers with almost 3,700 parents and students in attendance and 2,900 backpacks with school supplies were given to children in need! We loved getting a chance to work with other local organizations to serve and give back to our community.
